### **Tracking Tools and Opt-Out**

The Platform use cookies and similar technologies such as pixel tags, web beacons, clear GIFs and JavaScript (collectively, “Cookies”) to enable our servers to recognize your web browser, tell us how and when you visit and use our Platform, analyze trends, learn about our user base and operate and improve our Platform. Cookies are small pieces of data—usually text files – placed on your computer, tablet, phone or similar device when you use that device to access our Platform. We may also supplement the information we collect from you with information received from third parties, including third parties that have placed their own Cookies on your device(s). Please note that because of our use of Cookies, the Platform do not support “Do Not Track” requests sent from a browser at this time.

We use the following types of Cookies:

- **Essential Cookies.** Essential Cookies are required for providing you with features or Platform that you have requested. They do this by collecting information about the number of visitors to the Platform, what pages visitors view on our Platform and how long visitors are viewing pages on the Platform. Performance/Analytical Cookies also help us measure the performance of our advertising campaigns in order to help us improve our campaigns and the Platform’ content for those who engage with our advertising. For example:
  - Google
  - [Matomo](#)

Most browsers have an option for turning off the Cookie feature, which will prevent your browser from accepting new Cookies, as well as (depending on the sophistication of your browser software) allow you to decide on acceptance of each new Cookie in a variety of ways. You can also delete all Cookies that are already on your device. If you do this, however, you may have to manually adjust some preferences every time you visit our website and some of the Platform and functionalities may not work.

To explore what Cookie settings are available to you, look in the “preferences” or “options” section of your browser’s menu. Although we work to protect the security of your data that we hold in our records, please be aware that no method of transmitting data over the internet or storing data is completely secure.

We retain Personal Data about you for as long as necessary to provide you with our Platform. In some cases we retain Personal Data for longer, if doing so is necessary to comply with our legal obligations, resolve disputes or collect fees

owed, or is otherwise permitted or required by applicable law, rule or regulation. We may further retain information in an anonymous or aggregated form where that information would not identify you personally.

You have the right to request that we delete the Personal Data that we have collected about you. Under the CCPA, this right is subject to certain exceptions: for example, we may need to retain your Personal Data to provide you with the Platform or complete a transaction or other action you have requested. If your deletion request is subject to one of these exceptions, we may deny your deletion request.

### **Exercising Your Rights**

To exercise the rights described above, you or your Authorized Agent (defined below) must send us a request that (1) provides Platform login credentials to allow us to verify that you are the person about whom we have collected Personal Data, and (2) describes your request in sufficient detail to allow us to understand, evaluate and respond to it. Each request that meets both of these criteria will be considered a “Valid Request.” We may not respond to requests that do not meet these criteria. We will only use Personal Data provided in a Valid Request to verify your identity and complete your request. You do not need an account to submit a Valid Request.

We will work to respond to your Valid Request within 45 days of receipt. We will not charge you a fee for making a Valid Request unless your Valid Request(s) is excessive, repetitive or manifestly unfounded. If we determine that your Valid Request warrants a fee, we will notify you of the fee and explain that decision before completing your request.

You may submit a Valid Request using the following methods:

- Email us at: [help@proowler.pro](mailto:help@proowler.pro)

You may also authorize an agent (an “**Authorized Agent**”) to exercise your rights on your behalf. To do this, you must provide your Authorized Agent with written permission to exercise your rights on your behalf, and we may request a copy of this written permission from your Authorized Agent when they make a request on your behalf.

#### We Will Not Discriminate Against You for Exercising Your Rights Under the CCPA

We will not discriminate against you for exercising your rights under the CCPA. We will not deny you our goods or Platform, charge you different prices or rates, or provide you a lower quality of goods and Platform if you exercise your rights under the CCPA. However, we may offer different tiers of our Platform as allowed by applicable data privacy laws (including the CCPA) with varying prices, rates or levels of quality of the goods or Platform you receive related to the value of Personal Data that we receive from you.
